Luke 2:25

Expectation.

Christmas time, a time of anticipation. Countdowns are ongoing. Children, young people. older people with those memorie we get to make.
The first Christmas, we see testimony of his expectation. Simeon

"... waiting for the consolation of Israel"

Mary, Joesph, wisemen all they had expectation of who, what they were going to see.

Are we just waiting for the big day 25th? Maybe you dread.

As believers we have another expectation in anticipation of our saviours second coming.

1cor 1-9 - God is faithful.

Let the reminder of this first coming prompt you to expect this second coming.

John 5-3 waiting for the moving of the water for their needs to be met.
Day and daily. As we come to prayer it is no different.

wait for God to step into our circumstances. To do the miraculous. Psalm 27:14
Don't give up hope, praying for those things that seem imposible.

Wait on the LORD.

Christmas reminds us that God is faithful
